Results Are Posted

Results of competition in all events both Friday and Saturday are posted on the bulletin boards under the west main grandstand of O'Brien Stadium (north and west to the concession stand) as they become available. In addition, lane and flight assignments for the finals determined after preliminaries (and/or semifinals) Friday are also posted. Fans who wish to make notes in their Official Program are invited to visit this area as often as they desire both days of the meet. ALL PERSONS, however, are requested not to remove the posted material from the bulletin boards. In addition to being useful to track fans, the posted result sheets and heat sheets are the only vehicle by which coaches and contestants can gather necessary information concerning athletes from their school and specific assignments for future competition in the meet.

Leonard Wilson 1989 Honorary Referee

A standout runner at Urbana High School, and a volunteer official at the IHSA Boys State Track Meet for the past 29 years, Leonard Wilson is the Honorary Referee of the 1989 Illinois High School Association Boys State Final Track and Field Meet. He will be honored before the start of the 95th finals Saturday here at O'Brien Stadium.

LEONARD WILSON
Honorary Referee

A four-year letterman in both cross country and track at Urbana (H.S.), Wilson was a sophomore member of the Tigers' record-setting 21-point championship cross country squad in 1951. His Tiger teams placed second in 1952 and fifth in 1953. Three times in his high school career Wilson qualified for the state track meet. His best finish was sixth in the 880-yard run in 1954.

His career as a track official began in 1956. In addition to officiating every Prairie State Games, Wilson also works Univ. of Illinois meets and three times has officiated the NCAA championships. During his 29 years working the IHSA state finals, he has been a timer, judge, relay clerk, seeding clerk and assistant clerk of course.

Born in Paxton, and educated in Urbana, he is the fifth from Tiger Town to be honored by the IHSA as honorary referee for the annual boys state track meet. The others were Shelby Himes in 1961, Gene Armer in 1977, Jack D. May in 1981 and Taylor Thomas in 1987. For years, Champaign and Urbana residents who worked Fighting Illini track volunteered for the IHSA state finals.

In 1975, Wilson was elected to the Urbana High School Hall of Fame. He is title operations officer and assistant manager of the Champaign office for Chicago Title and Trust Company.

Title matches in both singles and doubles are scheduled to be included in the telecast of the boys tennis competition.

Highlights in boys gymnastics, girls track and boys track round out the 1989 spring sport package.

During the 1989-90 school year, SportsChannel Chicago and the IHSA will cooperate in the telecasting of 21 of the 28 athletic state finals in which IHSA conducts state series.

Special Thanks

More than 100 dedicated men and women volunteer their time, energy and effort to serve as the personnel responsible for conducting the annual State Track Meet. It would be impossible to conduct this gigantic track and field carnival without their expertise and the state final would not have the tremendous national reputation it does without their cheerful cooperation. To the busy men and women who slice this precious portion out of their regular schedules to serve the young athletes here this weekend in a special way, we offer a very, very special thanks.

Administering this year's State Final Meet would not be possible without the tremendous contributions of the Harry Gill Company, Urbana; Xerox Corporation of Champaign; Dekan Athletic Equipment Corp. of West Chicago; Illinois Consolidated Telephone Company of Charleston-Mattoon; Sharon Brinkmeyer and students from Charleston High School and Paula Coker and students from Mattoon High School.

The Dekan Athletic Equipment Company, working in conjunction with the Gill Company has provided the track and field equipment and digital watches used for timing. Paper copying equipment provided by the Xerox Corporation is being used to help speed up the posting of results for the competitors and news media. Two-way radios from Illinois Consolidated Telephone provide communication from all venues.

Students from Charleston and Mattoon high schools are serving as runners and hostesses during the meet.

The IHSA greatly appreciates the sincere interest in the young people of Illinois demonstrated by these firms.

'Welcome to Our Campus'

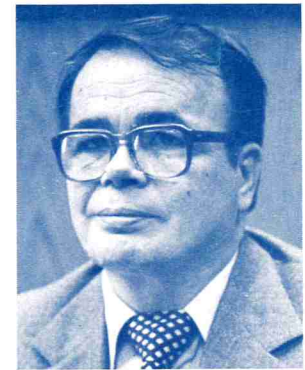

All of us here at Eastern Illinois University are proud to extend a very special welcome to our campus for the Annual Illinois High School Association State Track and Field Meet. We congratulate each of you for advancing to the State Final, wish you well in the competition and hope you have a pleasant stay on our campus.

Eastern is pleased and proud to host this event, now in its 16th year for girls and 15th year for boys on our campus. We hope that you enjoy using the O'Brien Stadium facilities and that you establish lasting friendships during the competition.

Those of you competing this weekend are among the very best high school athletes in Illinois and America. Many former IHSA state champions have participated in the Olympics. All of us in Illinois are proud of how well they represented our nation's values of sportsmanship and competition. I hope they serve as a model for each of you to accomplish your personal best this weekend.

You are always welcome on the Eastern campus. My best wishes to the IHSA and to you for another great state meet.
