Results Are Posted

Results of competition in all events both Friday and Saturday are posted on the bulletin boards under the West Main Grandstand of O'Brien Stadium (North and West to the concession stand) as they become available. In addition, lane and flight assignments for the Finals determined after Preliminaries (and/or Semifinals) Friday are also posted. Fans who wish to make notes in their Official Program are invited to visit this area as often as they desire both days of the meet. ALL PERSONS, however, are requested not to remove the posted material from the bulletin boards. In addition to being useful to track fans, the posted result sheets and heat sheets are the only vehicle by which coaches and contestants can gather necessary information concerning athletes from their school and specific assignments for future competition in the meet.

Glen Hamilton Named Honorary Referee

Long-time Pinckneyville teacher and coach Glen Hamilton, who has been a voluntary official in some capacity at every Illinois High School Association (IHSA) Boys State Final Track Meet since 1972, is the Honorary Referee for 1990. He will be honored before the start of the 96th finals Saturday at O'Brien Stadium.

GLEN HAMILTON
Honorary Referee

A miler in high school, Hamilton ran in the 1944 state final meet and then attended Southern Illinois University, where he lettered in football, cross country and track.

After graduating from SIU, he served for many years at Pinckneyville as head football coach and assistant coach in basketball and track.

His career as an athletic official in IHSA sports is varied. He was a basketball referee for 20 years, a football referee for 14, a baseball umpire for a decade and has been a track and field referee-starter for nearly 40 years. Glen started the 1981 state final meet and was referee in both 1982 and 1983. Recently, he has served as a member of the Jury of Appeals.

Hamilton becomes the 31st volunteer official honored by the IHSA as Honorary Referee of the state final meet.

Special Thanks

More than 125 dedicated men and women volunteer their time, energy and effort to serve as the personnel responsible for conducting the annual State Track Meet. It would be impossible to conduct this gigantic track and field meet without their expertise and the state final would not have the tremendous national reputation it does without their cheerful cooperation. To the busy men and women who slice this precious portion out of their regular schedules to serve the young athletes here this weekend in a special way, we offer a very, very special thanks.

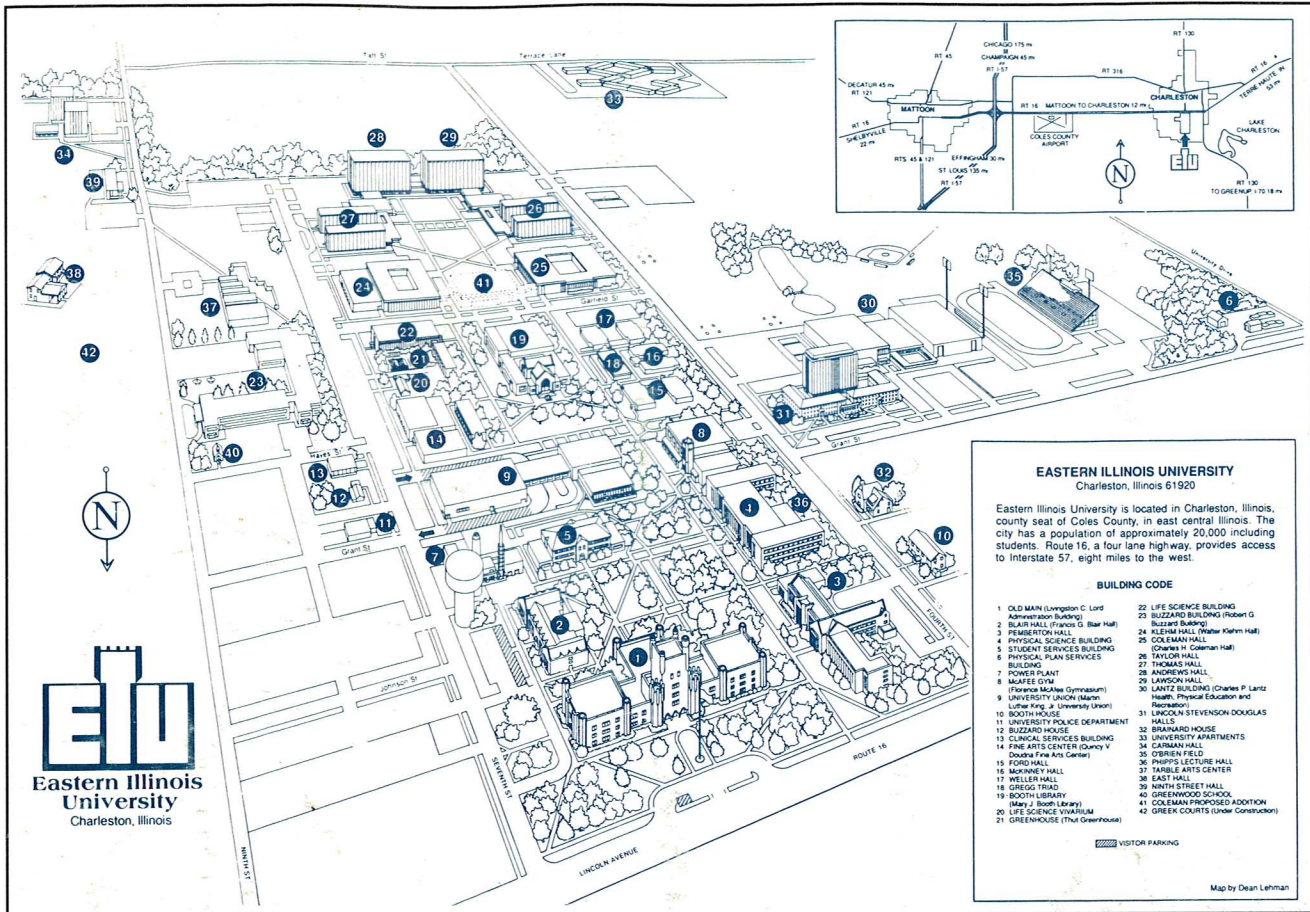

Administering this year's State Final Meet would not be possible without the tremendous contributions of the Harry Gill Company, Urbana; Xerox Corporation of Champaign; Dekan Athletic Equipment Corp. of West Chicago; Illinois Consolidated Telephone Company of Charleston-Mattoon; Sharon Brinkmeyer and students from Charleston High School; and Paula Coker and students from Mattoon High School.

The Dekan Athletic Equipment Company, working in conjunction with the Gill Company, has provided the track and field equipment and digital watches used for timing. Paper copying equipment provided by the Xerox Corporation is being used to help speed up the posting of results for the competitors and news media. Two-way radios from Illinois Consolidated Telephone provide communication from all venues.

Students from Charleston and Mattoon High Schools are serving as runners and hostesses during the meet.

The IHSA greatly appreciates the sincere interest in the young people of Illinois demonstrated by these firms and schools.

"Welcome to Our Campus"

All of us here at Eastern Illinois University are proud to extend a very special welcome to our campus for the Annual Illinois High School Association State Track and Field Meet. We congratulate each of you for advancing to the State Final, wish you well in the competition and hope you have a pleasant stay on our campus.

Eastern is pleased and proud to host this event, now in its 17th year for girls and 16th year for boys on our campus. We hope that you enjoy using the O'Brien Stadium facilities and that you establish lasting friendships during the competition.

Those of you competing this weekend are among the very best high school athletes in Illinois and America. Many former IHSA state champions have participated in the Olympics. All of us in Illinois are proud of how well they represented our nation's values of sportsmanship and competition. I hope they serve as a model for each of you to accomplish your personal best this weekend.

You are always welcome on the Eastern campus. My best wishes to the IHSA and to you for another great state meet.
