## IHSA Spring Sports On

Nine state championships in the IHSA lineup of spring sports will be televised on SportsChannel Chicago, the sports cable channel, which is available to more than 1.5 million subscribers in Illinois and surrounding states.

All telecasts will be tape delayed.

The championship games in girls soccer, Class A and Class AA boys baseball, and Class A and Class AA girls softball are all scheduled to be televised in their entirety.

Title matches in both singles and doubles are scheduled to be included in the telecast of the boys tennis competition.

Highlights in boys gymnastics, girls track and boys track round out the 1991 spring sport package.

During the 1990-91 school year, SportsChannel Chicago and the IHSA will cooperate in the telecasting of 23 of the 28 athletic state finals in which IHSA conducts state series.

## Results Are Posted

Results of competition in all events both Friday and Saturday are posted on the bulletin boards under the West Main Grandstand of O'Brien Stadium (North and West to the concession stand) as they become available. In addition, lane and flight assignments for the Finals determined after Preliminaries (and/or Semifinals) Friday are posted. Fans who wish to make notes in their Official Program are invited to visit this area as often as they desire both days of the meet. ALL PERSONS, however, are requested not to remove the posted material from the bulletin boards. In addition to being useful to track fans, the posted result sheets and heat sheets are the only vehicle by which coaches and contestants can gather necessary information concerning athletes from their school and specific assignments for future competition in the meet.

## Special Thanks

Nearly 150 dedicated men and women volunteer their time, energy and effort to serve as the personnel responsible for conducting the annual State Track Meet. It would be impossible to conduct this gigantic and nationally acclaimed track and field competition without their expertise. The state final would not have the tremendous national reputation it does without their cheerful cooperation. To the busy men and women who slice this precious portion out of their regular schedules to serve the young athletes here this weekend in a special way, we offer a very, very special thanks.

Administering this year's State Final Meet would not be possible without the tremendous contributions of the Harry Gill Company, Urbana; Advance Office Machines, Champaign; Bundy Business Machines, Champaign; Dekan Athletic Equipment Corp., West Chicago; Illinois Consolidated Telephone Company, Charleston-Mattoon; Steve Craig and students from Charleston High School; and Paula Coker and students from Mattoon High School.

The Dekan Athletic Equipment Company, working in conjunction with the Gill Company, has provided the track and field equipment and digital watches used for timing. Photocopying and other equipment provided by Advance Office Machines and Bundy Business Machines is being used to help streamline the reporting of results for the competitors and news media here at O'Brien Stadium and statewide. Two-way radios from Illinois Consolidated Telephone provide communication from all venues.

Students from Charleston and Mattoon High Schools are serving as runners and hostesses during the meet.

The IHSA greatly appreciates the sincere interest in the young people of Illinois demonstrated by these firms and schools.

## IHSA TRACK

## About the Covers

The photograph on the cover of this year's Boys State Track and Field Meet Official Program is what the judges at the finish line use to review the times and placing in each race. It is produced by the electronic timing Accutrack machine. Each Polaroid print shows the time(s) the runner(s) cross the finish line at the top of each photograph and the individual runners in sequence at the bottom of the photograph. The photo on the cover of Saturday's Official Heat Sheet shows Bartonville (Limestone) senior Marlon Jones crossing the finish line from the perspective of the news still photographer. Fred Zwicky of the *Peoria Journal Star* captured last year's Class AA 800-meter run champion at his moment of victory.
