# Welcome to Eastern Illinois University

On behalf of Eastern Illinois University, I'm pleased to welcome everyone to the Illinois High School Association Girls and Boys State Track and Field Meets.

This is my first year as President of Eastern, so I am particularly excited about my initial involvement with this championship meet. O'Brien Stadium has an excellent track, so please be patient during our year of renovation as

we make this venue an even better facility to host one of the state's most successful extracurricular activities.

I congratulate the student-athletes who have qualified to compete here. Your efforts have been rewarded by reaching the championship meet. May each of you achieve personal bests in your time or distance. In a very real sense, you are all winners.

Enjoy the weekend and competitive spirit. Best wishes to all the fans, participants, coaches and administrators who are visiting Eastern and Charleston. We're proud to be your host.

# IHSA Sports Report

## Listen Up Sports Fans! Because . . .

The unique sound and personality to the IHSA Sports Report continues with Lanny Slevin at the microphone for the second year. The IHSA Sports Report is the first radio show in the country sponsored by a state high school association.

Slevin is a veteran of 26 years of broadcasting high school and college sports in Illinois. Born in Washington, D.C., he grew up in Peoria and attended St. Ambrose in Davenport. His career in Illinois radio began in 1970 at WPRC in Lincoln. He joined the staff at WLPO in LaSalle in 1973 and is its sports director. He has broadcast every IHSA Boys Basketball State Final Broadcast since 1972.

Now in its 9th season, IHSA Sports Report with Lanny Slevin continues in its popular three-times-weekly format during the 1998-99 school year. IHSA Sports Report with Lanny Slevin is being carried by nearly 90 radio stations throughout Illinois and surrounding states this school year.

Slevin produces each of the five-and-one-half minute shows. Each show covers a different set of subjects. All are produced new every week. The syndicated series is aired by network stations from the start of fall practice until the week following the annual boys baseball and girls softball tournaments in June. Content of each show will vary during the school year, but the format provides interviews with coaches and students who achieve success in the state's interscholastic activities, features on people involved in interscholastic activities other than the players and coaches, discussions of current events

and issues involving the member schools of IHSA, and reports of the IHSA state series events.

Over the first eight years, the number of stations on the network has ranged from 77 (in the first year) to a record 101 (in 1993-94). A total of 3,518 different people have been included in sound bites contained in the 816 shows aired. During the first 338 weeks of IHSA Sports Report, there have been a total of 5,876 different sound bites featuring people representing 1,218 different schools and companies.

Special segments spotlighting sportsmanship and the Add A. Tude™ campaign, officiating, the all-state academic team, and the role of interscholastic athletics, plus the secondary school curriculum and its impact on communities throughout Illinois are regularly featured.

Listen Up, Sports Fans, then let the station carrying the reports in your community know your thoughts about IHSA Sports Report with Lanny Slevin...and let us know your feelings by writing to IHSA Sports Report, c/o IHSA Office, 2715 McGraw Dr., P.O. Box 2715, Bloomington, IL 61702-2715. We appreciate your interest!

Stations on the 1998-99 network, not counting those out of state, represent more than 2.0 million of the state's population. Check the accompanying lineup to determine the location of stations near you, and the time the shows will be aired.

Do as your high school coach — old or new — encourages: Listen Up!

## Dick Hamann Named Boys Track and Field Honorary Referee

**DICK HAMANN**  
Carrollton  
Honorary Referee

Carrollton's Dick Hamann has seen many great moments in IHSA track and field during his 40-year coaching career, including 17 years as a State Meet volunteer official.

Fans attending this year's Boys State Track Meet will be able to share a special moment with him as he celebrates his birthday (May 29) and is the 39th volunteer official to be

recognized by IHSA as the 1999 Honorary Referee.

A native of Mascoutah, with degrees from Southern Illinois University-Carbondale and Washington University in St. Louis, Dick has spent his entire teaching and coaching career at

Carrollton. He taught one semester in 1942, then served in the U. S. Army during World War II obtaining the rank of Captain, and returned to Carrollton in 1946.

Over those years Dick has been the school's head track and field coach since 1958, its head boys basketball coach for 24 years and its athletic director for more than a quarter of a century. Since the advent of the two-class system in IHSA track and field, more than 80 athletes from Carrollton have advanced to the State Meet.

Hamann was also a member of the Track and Field Advisory Committee for nine years, and the IHSA Legislative Commission for two years.

Dick is not scheduled to be working the meet this year, but he may hang out at the finish line, where he spent many of his volunteer years as the Accutrack operator.

## Results Are Posted

Results of competition in all events both Friday and Saturday are posted on the bulletin boards on the outside northwest corner of O'Brien Stadium as they become available. In addition, lane and flight assignments for the Finals, determined after Preliminaries Friday, are also posted in the residence halls. Fans who wish to make notes in their Official Program are invited to visit this area as often as they desire both days of the meet. **All persons**, however, are requested not to remove the posted material from the bulletin boards. In addition to being useful to track fans, the posted result sheets and heat sheets are the only vehicle by which coaches and contestants can gather necessary information concerning athletes from their school and specific assignments for future competition in the meet.

Complete results will be posted on the IHSA Web site ([www.ihsa.org](http://www.ihsa.org)) periodically throughout the meet.

## Special Thanks

Over 150 dedicated men and women volunteer their time, energy and effort to serve as the personnel responsible for conducting the annual State Track Meet. It would be impossible to conduct this gigantic and nationally acclaimed track and field competition without their expertise. The state final would not have the tremendous national reputation it does without their cheerful cooperation. To the busy men and women who slice this precious portion out of their regular schedules to serve the young athletes here this weekend in a special way, we offer a very, very special thanks.

Administering this year's State Final Meet would not be possible without their tremendous contributions. The IHSA greatly appreciates the sincere interest in the young people of Illinois demonstrated by these firms and schools.

Thanks to Bonutti Orthopedic Clinic of Effingham which provided a mobile training unit to assist with health care of participating athletes. Thanks to R. K. Dixon Company of Springfield/Peoria for providing a photocopy machine to assist in the production of results for news media, coaches and fans.

## REASONS TO SPORT A WINNING ATTITUDE!

- 10** Taunting, trash talk and intimidating behavior have no place in high school sports—or any level of sports.
- 9** Your admission is to watch the performances of highly impressionable 15 to 18-year old kids—not a license to abuse coaches, officials, players and other spectators.
- 8** You want others to treat you the way you want to be treated—and how many of us want to be treated with disrespect?
- 7** We need more positive role models for our kids.
- 6** People don't always remember the final score—but they always remember the fan in Section Three who made a fool out of him or herself.
- 5** Coaches and officials are also teachers. Why would you harass them in their classroom?
- 4** A national survey indicates kids play high school sports to have fun—not to be number one!
- 3** It's how you play the game that counts.
- 2** It's simply the right thing to do.

**1** *Sportsmanship begins with you!*

Illinois High School Activities Foundation

# Foundation Benefits from Sale of Pepsi Products

Since 1996, Pepsi-Cola General Bottlers, with main offices in Peoria, has provided \$40,000 in scholarship funds to the Illinois High School Activities Foundation (IHSAF). A total of ten (10) scholarships are awarded annually to members of the IHSA All-State Academic Team from proceeds generated by the sale of Pepsi-Cola products through Central and Northern Illinois retail outlets in March Madness Experience™ commemorative cans. The collector's cans in 1996 and 1997 contained Pepsi-Cola. In 1998 and 1999 the collector's cans contained Mountain Dew. More than 250,000 different students in the 753 member schools of the Illinois High School Association (IHSA) compete in athletic and activity state series competition. Each year 25 student-athletes are selected to the All-State Academic Team.

### What is the IHSAF?

The Illinois High School Activities Foundation (IHSAF) is a non-for-profit corporation dedicated to recognizing academic and interscholastic achievements by high school students in Illinois. The Foundation is currently in the process of soliciting private and corporate contributions to help carry out the mission of the corporation.

### How Does It Work?

The Illinois High School Activities Foundation was established to help promote, encourage, and recognize academic and interscholastic achievements by the young people who participate in the interscholastic programs sponsored by IHSA. With the support of a variety of corporations, organizations, and individuals the Foundation provides financial support for the IHSA scholarship recognition programs.

All contributions to the Illinois High School Activities Foundation are tax-deductible. Our FEIN number is 37-1322645.

## **Here's how:**

To be eligible for consideration for selection to the team, a student in an IHSA member school must :

- have a minimum Grade Point Average (GPA) of at least 3.5 on a 4.0 scale after the seventh semester
- have participated in at least two (2) IHSA-sponsored activities (athletics and/or non-athletics) during the last two school years
- have demonstrated outstanding citizenship during his/her high school career.

Each IHSA member school is eligible to nominate one male and one female student.

Nomination forms will be mailed to all principals of IHSA member schools in November.

There were 12 boys and 13 girls on the 1999 team. Among them, 15 will graduate as No. 1 in their respective senior class. All of the seven Board of Directors divisions were represented by at least two team members.

Nominations for 600 seniors were received. The All-State Academic Team includes one male and one female senior student from each of the seven (7) IHSA Board of Directors statewide geographic divisions, plus 11 at-large selections. Another 50 students earned honorable mention.

*"We are extremely proud of the accomplishments of the young people named to our sixth All-State Academic Team," said IHSA Executive Director Dave Fry. "They enhance the legacy established by the first five teams. We were delighted to showcase these great young people at the banquet. Those who attended it this year were treated to an absolutely wonderful evening. We look forward to another great event next year."*
