### EVENT SECURITY POLICY

To help insure the safest and most secure atmosphere for this IHSA State Final, event management will diligently maintain established security procedures and activities. This will require complete cooperation by all competing teams, contest officials and fans. Security will always have priority over convenience; therefore, if you are requested to cooperate with event personnel in any manner, please do so promptly. Your assistance will enable our staff to fulfill its responsibilities efficiently.

#### ALCOHOL AND ILLEGAL SUBSTANCES PROHIBITED

The possession, distribution, sale, possession and or consumption of alcoholic beverages and illegal substances is prohibited on the property of any IHSA state series contest facility. State series hosts are required to make all state series contest sites, including parking lots, fan accommodation areas, and other school or event venue property, alcohol and illegal substance free zones on the date or dates of any IHSA event being held at the site. Event personnel will enforce this policy rigorously.

#### PERSONS AND POSSESSIONS SUBJECT TO SEARCH

Please note that all persons and their possessions are subject to search upon entering an IHSA State event venue. Items prohibited under this policy or any item deemed by the IHSA or event staff to be dangerous or harmful to persons or property will be confiscated. Patrons of any IHSA state series contest who do not cooperate with event staff in their enforcement of this policy will be removed from the premises, and law enforcement officials will be called as warranted. No ticket refunds will be granted in such cases.

THE FUTURE PLAYS HERE

### ILLINOIS HIGH SCHOOL ASSOCIATION

As Mayor of the City of Peoria and on behalf of the Peoria City Council, it gives me great pleasure to welcome you to Detweiller Park for the 2010 Illinois High School Association State Cross Country Championship Meet, which we are honored has been held in Peoria for 41 consecutive years.

As the host city for many sport-related conferences and events, including the IHSA State Boys Basketball Tournament, it is always a privilege to provide a stimulating atmosphere for competitions. Backed by a tradition of proven family-friendly hospitality, we look forward to being the host for this Meet and encourage our visitors to take time from their busy schedules to enjoy the many fine restaurants, recreational facilities, our riverfront, and the beauty of our city.

Chosen as an All-America City on three occasions, we believe our community is a wonderful place for families and school events. We certainly appreciate your visit, as well as our enduring partnership with the Illinois High School Association, and we look forward to seeing you again in the future.

Sincerely,  
Jim Ardis, Mayor

On behalf of Peoria High School and the Illinois High School Association, it is with great honor and a true pleasure that we present the 65th Annual IHSA Cross Country State Finals. This is the 41st consecutive year for Peoria High School to serve as host for this wonderful event. We all strive each year to make this event the very best that it can be. This prestigious Illinois High School Association Cross Country Championship Meet has become one of the premier high school cross country events in the nation. The IHSA, the Peoria High School staff and the entire Peoria community take great pride in this accomplishment.

Our special thanks to the countless Peoria High School staff, students and community members for all their hours of work to make this great event possible.

Good luck to all the runners!

Sincerely,

## HISTORY

## people

The principals who comprise the IHSA Board of Directors volunteer their time and energy to serve the IHSA and its member schools. Each Board member represents a geographic Division in the state after being nominated and then elected in a vote by other principals in that Division.

The IHSA staff administers the state tournaments in all sanctioned activities and sports, including the selection of State Series sites, assignment of officials and on-site state final management. The staff is responsible for the education and enforcement of the by-laws that its member schools vote into existence.

## effecting change

The IHSA is a charter member of the National Federation of State High School Associations (NFHS). IHSA officials use the applicable NFHS Rules Book to govern all athletic contests. As an NFHS member, the IHSA can propose national rule changes in any NFHS sport.

The rules that govern the setup and scheduling of each state tournament are known as the Terms & Conditions. Each sport and activity has a geographically diverse Advisory Committee that reviews recommendations to change its Terms & Conditions. Recommendations can come from any member school coach or administrator.

Any member school can propose a new by-law or a change to an existing by-law. Those proposals are reviewed by the IHSA Legislative Commission, a 35-person group of Principals and Athletic Directors from around the state. The proposed changes are reviewed by all IHSA member schools at mandatory Town Meetings held at 28 different high schools throughout the state. The proposals that are moved forward by the Legislative Commission are voted on by every member school and must pass by a simple majority to become a by-law.

## dollars and sense

The IHSA's primary source of income is generated from ticket sales in State Series events. On average, about eight total State Series sports programs produce positive revenue streams annually, with the profits from those sports being used to help fund the tournaments for the IHSA's other 30-plus sports and activities.

There is no cost for a school to become an IHSA member or to renew its membership annually.

## officials

The IHSA licenses over 12,000 officials annually. Passing a rules test and attending hands-on educational clinics taught by the state's top officials are among the many requirements that officials must complete to remain eligible to work the State Series. Member school coaches have a direct effect on who works the State Series by rating the performance of officials.

Founded in 1900,  
the Illinois High  
School Association is  
a not-for-profit  
organization with  
over  
**780**  
member high  
schools.

The IHSA is  
headquartered in  
Bloomington and is  
not funded by tax  
dollars or  
administered by the  
government in the  
State of Illinois.

## WHY WE ARE HERE

IHSA State Final events are celebrated by schools, competitors, coaches, communities and fans alike each year, and rightly so, but it is also important to remember that only a small percentage of the participants from IHSA member schools reach this level of competition. The IHSA's existence centers around fostering participation opportunities that will help develop and instill the necessary characteristics to make today's high school students tomorrow's community leaders. ***The Future Plays Here!***

# Awards Area Procedures

## 2010 State Finals

THE FUTURE PLAYS HERE

ILLINOIS HIGH SCHOOL ASSOCIATION

### Class 1A

Report to staging area: 10:30 a.m.  
Ceremony Begins: 11:00 a.m.

### Class 2A

Report to staging area: 12:30 p.m.  
Ceremony Begins: 1:00 p.m.

### Class 3A

Report to staging area: 2:30 p.m.  
Ceremony Begins: 3:00 p.m.

**Award Winner Staging Area:** The award winners should assemble behind the Peoria Park District Stage no later than 30 minutes prior to the start of their respective Awards Ceremony.

**Official Photos:** Visual Image Photography (VIP) is the exclusive official photographer for all Illinois High School Association (IHSA) State Final events. Action, feature and/or individual award photographs taken by VIP may be ordered after the Awards Ceremony at Detweiller Park or at any other time via the Internet. Fans may stop by the VIP booth in Detweiller Park before they return home today and place their order. The VIP booth is located on the west side of the course near the Concession Tent and the PACVB booth. Fans also may order from the VIP Web Site @ www.vipis.com

**Fan Photos:** Spectators will have access to a photo area in front of the stage during and after the respective individual and team awards presentations. A total of approximately four (4) minutes will be set aside for fans to take team photographs. It is strongly recommended that fans use the VIP service. Fans are not permitted access to the area inside the ropes behind the awards stage.

### Award Winner Instructions

- 1) Individual Place Winners and Placing Team members report to the back of the Peoria Park District Stage located in the open space west of the course by the shelter at least 30 minutes prior to the scheduled start of their respective Awards Ceremony. The boys and girls awards ceremonies will be conducted separately. The girls will be conducted first. Individuals receiving medallions will be placed in reverse order of finish from 25th to 1st. The Coaches and members of the top 3 placing teams will be placed by team according to the order provided

by the school on their Team Award Information confirmed at the time they pick up their team packet. The medallions and trophy will be presented to the schools in reverse order of finish (3-2-1).

- 2) Award winners must assemble at the correct time, and, once all have checked in, final instructions will be given.
- 3) Each medallion winner will be introduced and enter the stage from the designated side. Proceed to the middle of the stage to the awards presenter, have the medallion draped over the recipient's head, and walk to the other side of the stage and wait there until all 25 individuals have been recognized. The top 25 should remain on stage together until instructed to leave the stage. Group photos will be taken by fans at this time. The order will be 25th place girl, 24th place girl etc. for the individuals. The team order will be 3rd place girls team, 2nd place girls team, 1st place girls team.
- 4) After each individual and team member receives their medallion, they should move to the other side of the stage and wait until all 25 individuals or their team members are present for a group photo on-stage.
- 5) Official photographers from Visual Image Photography (VIP) will take the official photo of each person (individual finisher and/or team member) receiving an award. It will be taken as an individual portrait with the state medallion draped on the person after they received the medallion. In addition, a group photograph (top 25 individuals as a group or each of the top three teams as a team) will be taken after the medallions have been presented. These photographs will be taken behind the stage (or in the shelter in the case of inclement weather) after the medallion(s) has been presented on the stage. VIP photographers may take additional photos during the actual presentation ceremony.
- 6) Following the session with the VIP photographers, the Public Address Announcer will notify the award winners required to participate in the press conference when they are to report to the shelter. The shelter is approximately 20 yards northwest of the stage. The top 3 Individuals, plus the head coach and all members of the top 3 placing teams, in each of the six races, will leave the stage area and report as a group for the required press conference. This is in addition to any interview sessions with the media by individual runners and coaches at Detweiller Park earlier in the day.

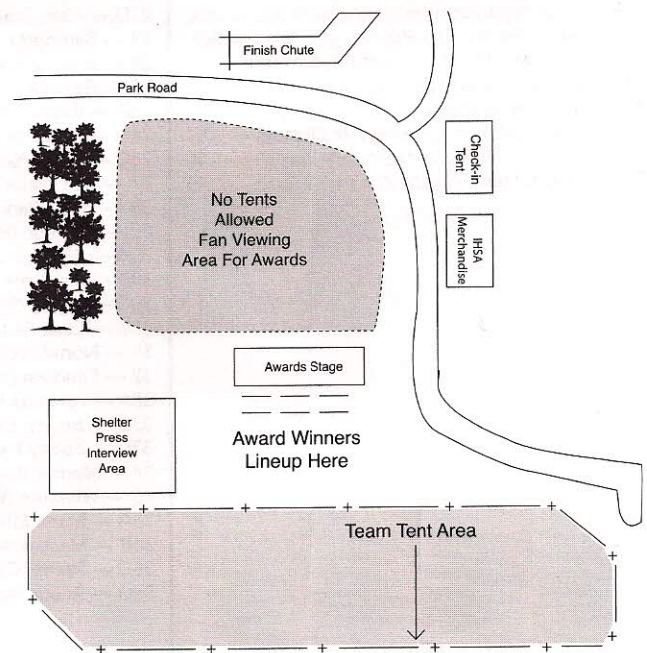

## Awards Area Rules and Regulations

**No Tent Zone**—The area in front of the stage is for fans to watch the awards ceremony. No tents are to be set up in this area. School tents may be set up on the west side of the park road adjacent to the course, or in the tent area behind the stage and shelter west of them.

**Award Winners Assemble Area**—The area behind the stage is where the individual and team award winners in both the boys and girls races assemble at the appropriate time. Marshals will assist the award winners in lining up behind the stage prior to the receipt of awards, after they receive their award, for the post-award fan and VIP-required photos, and for the required press interviews in the shelter immediately adjacent to the stage.

**Photo Areas**—There are two. The first is on and/or in front of the stage for friends and family. The second is (depending on weather and other factors) behind the stage and/or under the roof of the shelter. The area in front of the stage is open to the general public. The area behind the stage and in the shelter is exclusively for use by VIP, the official photographer of IHSA.

**Press Interview Area**—The shelter will be used for the required press interviews (top 3 individuals and top three teams). The northwest corner of the shelter has been designated as the area for use in the interviews. This area is for use by the coaches and runners who are participating in the required interviews and members of the working press. The area is off limits to the general public (parents, fans, relatives, etc.).

THE FUTURE PLAYS HERE

ILLINOIS HIGH SCHOOL ASSOCIATION

**DION WILSON**  
West Peoria

Dion Wilson's introduction to the sport of cross country came in 1985 when his son began his high school running career at Manual High School in Peoria. At that same time, Dion became a member of the Manual Booster Club which led to his first taste of working IHSA events, as then Manual Athletic Director Otto Geist hosted the area's IHSA Cross Country Regional for the first time.

Dion began working meets with Mike Lawless when Peoria Manual and Peoria High School would compete head-to-head during the regular-season, which eventually led to his involvement in the state final meet. He made his first trip to the state finals in the late 1980's to watch a Peoria Manual runner compete and has returned every year since as a volunteer. He has worked the state finals in a number of capacities including assembling equipment prior to the start of the race, working in the chutes to help fallen runners, crowd control and helping pack the equipment at the conclusion of the meet.

Dion, who went on to serve as the President of the Peoria Manual Booster Club during the 1987-88 school year, works for Illinois Central College in Peoria.

**MARK JOSTES**  
East Peoria

Mark Jostes has become one of the most respected officials in the state during his 30-plus year career working grade school, high school and collegiate cross country and track & field meets in the state of Illinois. Mark first became an IHSA official in 1975, following in the footsteps of his father, who was a 30-plus year IHSA track & field official. During his officiating career, Mark has traveled over 10,000 miles to work over 900 meets.

Mark has been volunteering at the IHSA Boys & Girls Cross Country State Final meets since 1988. He received the honor of serving as the official Race Starter at the 2000 IHSA state final meet and then was named the Meet Referee in 2002. He was also the Assistant Meet Referee in 2001 and has served as the Head Clerk of the Course since 2003.

Mark began his professional career as a teacher in Decatur before joining Caterpillar in 1994, where he has worked in Cat's Service Technology Marketing and Corporate Brand Equity Divisions. He resides in East Peoria with his wife of 40 years, Diane, and enjoys spending time with his two children and three grandchildren.

## IHSA Finalists

### Meet the Current Officers of the Illinois Athletic Directors Association

**DREW POTTHOFF, CMAA**  
McHenry  
President

**DR. STEVE MAY, CMAA**  
Wheeling  
President-Elect

The Illinois Athletic Directors Association (IADA), in conjunction with the IHSA, congratulates the teams and their coaches for advancing to the State Finals this weekend. The IADA, a state-wide network of athletic administrators, recognizes the commitment, determination and effort that you have exhibited to qualify for this state competition.

The IADA recognizes athletics as an extension of the classroom and an integral part of the total high school experience. The lessons learned during athletic competition provide a solid basis for many life experiences.

Good sportsmanship enhances these athletic experiences and is an important message for all our athletes and fans. Our association strongly endorses the Do What's Right Sport a Winning Attitude program promoted by the Illinois High School Association. While winning is the ultimate prize, competing within the guidelines of good sportsmanship is of the utmost importance for all to enjoy and remember the events of this weekend. Add A. Tude is for everyone!

As these young athletes, representing their schools and communities, begin their competition this weekend, they signify the best from over 750 high schools of the IHSA. The fact that they are here makes every one of them a winner, and we wish each of them the best of luck!

#### Our children's children will be the true measure of our success.

Since our inception, we have been a family owned and family run business, a distinction that is quickly becoming a rarity in our industry. Our business is built upon time honored principles of hard work, uncompromising integrity, and a tradition of simply being the best. We believe that our successes demand that we become good stewards, forming partnerships with our customers in each community we serve. Because of our relationships, we don't look for short-term results, but rather the long-term interests of our future generations. We believe in a no-compromise approach to customer service and business ethics.

# THE WORLD: IN PROGRESS

The question of sustaining life on the moon has fascinated scientists since we first landed there in 1969. However, developing a lunar infrastructure would require everything from using the moon's soil to shield astronaut habitats from radiation, to developing landing and launching pads, to devising ways of extracting fuel and air from the soil. As the world's leader in infrastructure technology, Caterpillar has the unique knowledge and technology that can be applied to these challenges, and has engaged NASA in discussions to take the fiction out of science fiction. Making life on the moon a reality is one of many stories of progress being written every day, on every continent, by the people of Caterpillar. Whether it's creating one of the world's cleanest engine technologies, or helping build a 3,000 mile highway system in India—everything we do is guided by one goal: that the world be better tomorrow, because of the work we're doing today.
