5. Mathias Powell (Sr., Mahomet-Seymour) [5]

It seemed like Powell is taking his foot off the gas and coasting through regionals and sectionals. This season it seems if Powell has been saving himself for a big meet late in the season. Could it be the state championship? Or is it Nike Cross Regionals? We know that he is the prohibited choice to win the 2A Individual title this Saturday. But of course, nothing is guaranteed as last spring's 3200m championship in Charleston taught us. Powell will not be letting any foot off the gas until he is in the finish chute.
