Ceremony Begins: 3:00 p.m.

Award Winner Staging Area: The award winners should assemble behind the Peoria Park District Stage no later than 30 minutes prior to the start of their respective Awards Ceremony.

Official Photos: Visual Image Photography (VIP) is the exclusive official photographer for all Illinois High School Association (IHSA) State Final events. Action, feature and/or individual award photographs taken by VIP may be ordered after the Awards Ceremony at Detweiller Park or at any other time via the Internet. Fans may stop by the VIP booth in Detweiller Park before they return home today and place their order. The VIP booth is located on the west side of the course near the Concession Tent and the PACVB booth. Fans also may order from the VIP Web Site @ www.vipis.com

Fan Photos: Spectators will have access to a photo area in front of the stage during and after the respective individual and team awards presentations. A total of approximately four (4) minutes will be set aside for fans to take team photographs. It is strongly recommended that fans use the VIP service. Fans are not permitted access to the area inside the ropes behind the awards stage.

Award Winner Instructions

- 1) Individual Place Winners and Placing Team members report to the back of the Peoria Park District Stage located in the open space west of the course by the shelter at least 30 minutes prior to the scheduled start of their respective Awards Ceremony. The boys and girls awards ceremonies will be conducted separately. The girls will be conducted first. Individuals receiving medallions will be placed in reverse order of finish from 25th to 1st. The Coaches and members of the top 3 placing teams will be placed by team according to the order provided by the school

- 2) Award winners must assemble at the correct time, and, once all have checked in, final instructions will be given.
- 3) Each medallion winner will be introduced and enter the stage from the designated side. Proceed to the middle of the stage to the awards presenter, have the medallion draped over the recipient's head, and walk to the other side of the stage and wait there until all 25 individuals have been recognized. The top 25 should remain on stage together until instructed to leave the stage. Group photos will be taken by fans at this time. The order will be 25th place girl, 24th place girl etc. for the individuals. The team order will be 3rd place girls team, 2nd place girls team, 1st place girls team.
- 4) After each individual and team member receives their medallion, they should move to the other side of the stage and wait until all 25 individuals or their team members are present for a group photo on-stage.
- 5) Official photographers from Visual Image Photography (VIP) will take the official photo of each person (individual finisher and/or team member) receiving an award. It will be taken as an individual portrait with the state medallion draped on the person after they received the medallion. In addition, a group photograph (top 25 individuals as a group or each of the top three teams as a team) will be taken after the medallions have been presented. These photographs will be taken behind the stage (or in the shelter in the case of inclement weather) after the medallion(s) has been presented on the stage. VIP photographers may take additional photos during the actual presentation ceremony.
- 6) Following the session with the VIP photographers, the Public Address Announcer will notify the award winners required to participate in the press conference when they are to report to the shelter. The shelter is approximately 20 yards northwest of the stage. The top 3 individuals, plus the head coach and all members of the top 3 placing teams, in each of the six races, will leave the stage area and report as a group for the required press conference. This is in addition to any interview sessions with the media by individual runners and coaches at Detweiller Park earlier in the day.

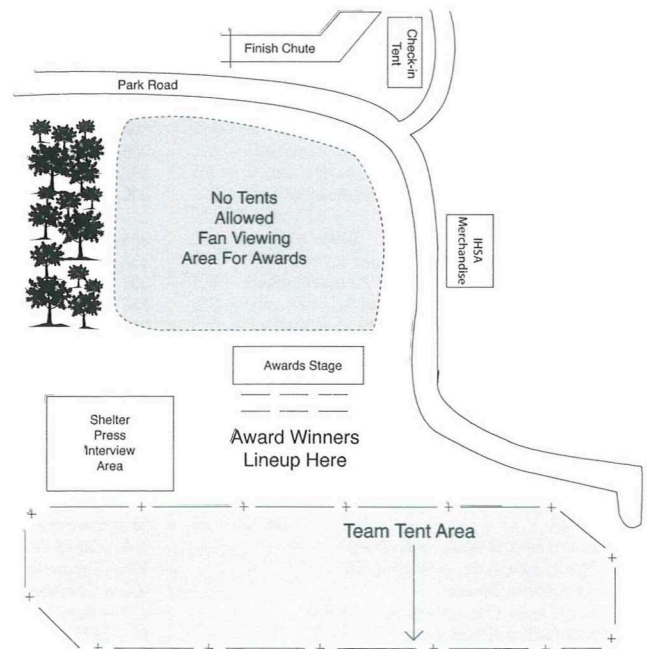

Awards Area Rules and Regulations

No Tent Zone—The area in front of the stage is for fans to watch the awards ceremony. No tents are to be set up in this area. School tents may be set up on the west side of the park road adjacent to the course, or in the tent area behind the stage and shelter west of them.

Award Winners Assemble Area—The area behind the stage is where the individual and team award winners in both the boys and girls races assemble at the appropriate time. Marshals will assist the award winners in lining up behind the stage prior to the receipt of awards, after they receive their award, for the post-award fan and VIP-required photos, and for the required press interviews in the shelter immediately adjacent to the stage.

Photo Areas—There are two. The first is on and/or in front of the stage for friends and family. The second is (depending on weather and other factors) behind the stage and/or under the roof of the shelter. The area in front of the stage is open to the general public. The area behind the stage and in the shelter is exclusively for use by VIP, the official photographer of IHSA.

Press Interview Area—The shelter will be used for the required press interviews (top 3 individuals and top three teams). The northwest corner of the shelter has been designated as the area for use in the interviews. This area is for use by the coaches and runners who are participating in the required interviews and members of the working press. The area is off limits to the general public (parents, fans, relatives, etc.).
